

Renegade Winter League Divisions One News

This season the big 4 teams in division one all have aspirations of winning things, Last Winter Season the RBL Cippenham lifted the division one title, the Willow Wanderers came 2nd, The NMCC Elite won the League Cup with the Sebastopol "Pole Dancers" coming runners-up.

Three matches into this season and we've already had some mammoth tussles. 1st match of the season saw the League winners play the Cup winners. The League champions taking the match 7-5 after trailing 4-1 at one point. In week 2 NMCC Elite were involved with another tight battle when they entertained the Pole Dancers and were narrow winners with another 7-5 score line.

In week three the Windsor Wanderers were at home against the NMCC Elite who have had the toughest possible start playing the other 3 big teams in successive weeks. It was the Elite that proved to be too good on the night winning the first 7 frames in a row to inflict one of the worst defeats ever on the talented Wanderers team the final result being 10-2.

The Divisions Two champions Shamrocks have returned to the top division and have also had a really tough start having already played and lost to the Wanderers and the Pole Dancers in week three they faced a home match against the Sly Blues who had also lost the opening two fixtures to the Wanderers and the Lady Haig. Shamrocks didn't find this match any easier though losing 8-4.

The Sebastopol X Spurts have started their season at a new venue having previously been the Windsor Nomads but have now moved to the

Sebastopol, which is looking great following its recent refurbishment. The X Spurts won their first match of the season 10-2 against a Lady Haig team short of players. In the X Spurts 2nd match they faced a home tie against a tough RBL Cippenham team and lost this time by the same margin. The Sly Blues played the Wanderers first match of the season and suffered an 11-1 mauling, which was followed by a narrow home defeat by the Lady Haig.

Barring Shamrocks that have played two of the big four in the 1st two weeks, every team in Division 1 has a victory already.

Captains Cup

Congratulations to Division 2 player Jimmy Robinson of the Swan in Burnham for winning the Captains Cup. He didn't have an easy run having to beat Robert Uzzell and Tom Carter on the way to the final. In the final he had to come from behind twice against John Young before taking out an awesome clearance in the final frame, at his first visit to the table, following a dry break from JY.

Jimmy didn't turn down a pot all night and was up against it a few times in the final, but his attacking style and never say die attitude saw him through.

It was a well-supported event that I think all involved enjoyed. We're sure to do it again next winter. We may even expand it to accommodate Captains and Vice Captains.

Renegade Winter League Divisions Two News

Only the RBL Cippenham B has a perfect record in division two having secured victories over NMCC, WAMDSAD & the Chestnuts. However, the Barley Army and the Swan are only 2 points behind having drawn against each other and winning the other two.

This looks like being a really tight division. There have already been four drawn matches and four 7-5 matches in the first 12 fixtures. That said, the Chestnuts in 4th are already 4 points adrift of the 3rd place team.

WAMDSAD have had two of those draws and a 7-5 defeat. If four of those frames had gone the other way they could've been joint top with 9 points instead of just the 2 points they currently have.

Three News

The 3 Horseshoes and the Britwell Ladies both currently hold a 100% record in division 3 having won all their games thus far. Those records could go this week as both teams are playing away games. If they both maintain those records for another week then one of them will definitely go the following week when they play each other at the Britwell venue.

The True Blues and the Pheasant Pluckers are chasing those two teams and are just 3 points behind. Both these team are also away this week but will be hoping to close the gap on the leading two.

Know the rules:- Coaching

One of the most common complaints received by the Renegade Committee relates to players, teammates and bystanders commenting on the situation currently happening on the table.

The World Rules are clear on this subject:-

During a frame, a player is required to play without receiving any advice from other persons relating to the playing of the frame. Should a team member or bone-fide supporter of a player offer advice, the referee will issue a "First and Final Warning" to that person that a repetition will result in the player being penalised via a Standard Foul. Because it may not always be possible for the Referee to hear if a statement made to a player is advice, the referee may issue the First and Final Warning on the grounds that any statement made to a player, other than general barracking, is deemed to be coaching. In a tournament setting, a First and Final warning may be given once only, before the commencement of the day's play as a block warning to all players and spectators.

CAPTAINS MUST ENSURE:-

1. REFEREES KNOW THE RULES
2. SPECTATORS DO NOT INTERFERE!!

In an effort to minimise confrontation and maintain the spirit of the game each team Captain will be provided with a copy of the English Pool Referees Association's World 8 Ball Pool Rules and Guidance free of charge from the Renegade League. Additional copies can be purchased from the Renegade League for £1 each.

Captains, please keep this guide somewhere handy so that in an instance of dispute, clarification can be sought quickly.
